**Christmas Message 20201 from The Right Reverend Dr Guli Francis-Dehqani, the Bishop of Chelmsford**  
**Finding silence to hear the Angels sing**

At my house, the roar of traffic on the A12 is a constant companion. We all live in a very noisy world, whether it's the noise of traffic, telephones, or (this time of year) the endless Christmas background music in shops. And if it's not external noise, it's our own internal soundtrack of anxiety about COVID, or work, or climate change, or our children, and so on. We might ask just where is the promised peace of the new-born Christ Child, the baby who was foretold as the coming "Prince of Peace"?

It came upon the midnight clear, is a favourite carol for many, and it contains that wonderful image of the world falling silent in the middle of the night on that first Christmas Eve to hear the angels sing to the shepherds on the hillside outside Bethlehem; telling of the birth of Jesus, the long-promised Messiah. The carol goes on to remind us that the noise and clamour of our world is threatening to overpower and drown out the love song of the angels – perhaps even more true today than when the words were written in 1849. If only we could find some silence to hear the angels sing again – and there are so many in our world who need, desperately, to hear that song of peace, love and joy. The first verse of It came upon the midnight clear offers a wonderful image of the hope we cling to - that one day, that longed-for peace will come and we will all join in the angels' song.

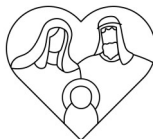

In the busyness and noise of this Christmas season, my hope and prayer for us all is that we can find at least a few moments of peace and quiet to pause and reflect on the true heart of Christmas – and perhaps even hear the angels sing once more at the birth of the Saviour.

**At The Heart of Christmas**

Thank you so much to all who played their part in making our second Christmas Tree Festival such a success, whether in preparation, helping or coming along to support - it was a fantastic team effort! We had over 210 adults and children visit across the weekend and we think we have raised in the region of £500. It was also great that so many engaged with our theme "At The Heart of Christmas", including the winner of the favourite Children's/ Young People's Christmas Tree, "Sharing" by 2nd Moulsham Guides, with the sweets forming the tree being donated to Chelmsford Food Bank.

At the heart of Christmas is God's promise to be with us always, offering us hope, comfort and joy.

**Christmas Giving**

It was lovely to welcome Sue Smith to our Morning Worship service the other week. Sue is from Hand in Hand, the charity that we are supporting this Christmas. Their mission is to educate, mentor, train and empower orphaned and vulnerable East African young people, particularly in Kenya and Uganda.

We are going to help to provide a kitchen for the JJ Excel Training School in Uganda - replacing the current wooden structure with a brick structure and an efficient energy saving stove. If you would like more information, have a look at their website, [www.handinhand.org.uk](http://www.handinhand.org.uk), or pick up one of their newsletters in church.

There are envelopes for cash and cheque giving at the back of the church. Cheques should be made payable to "Hand in Hand".

You can also give online, either through their website or by bank transfer (sort code 60 09 45, account number 86047019). Please make sure that you quote "JJ St Luke's" so that we know how much we have raised.
